

The Dell Primary School
SEPARATED/DIVORCED PARENTS

The school only sends out information such as our Monthly Newsletter & correspondence to the parent who has custody/responsibility for his/her child during the school week Monday – Friday. This information is usually sent home with the child.

Please note that we do not contact divorced and separated parents about parents' evenings, trips etc. The school puts the onus on parents to request parents' evening appointments or other information from their child's teacher. Dates for all school events can be found on our website.

The school must be made aware of any Court Order in existence or which comes into existence which prevents access to a child or collection of a child during or at the end of the school day by a parent.
