

Termly News

Spring Edition

By The Dell School Council

What's this?

We, as School Council, believe that your voice matters! As such, this newsletter explains all the actions we have taken this term as a result of the ideas you have raised.

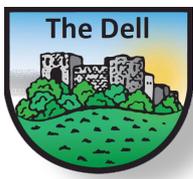

Remember, if you don't tell us about changes you want to see, we can't act upon them!

This is our school!

Action we have taken this term:

- Bike racks have now been installed so you can choose the healthy option to get to school!
- Pumps for footballs are on their way so you can say goodbye to flat footballs!
- Together with Eco Team, all taps now have signs on them to remind us about water waste.
- Teachers have reminded pupils about sharing the bars and playground equipment. We don't think a rota is needed if everybody thinks about our 8 behaviours whilst on the playground.

Helping charities:

At The Dell we are always coming up with fun and exciting ways to improve the lives of those around us and raise money for charities. This term we have:

- raised an amazing £464.05 for Velindre by wearing red!
- taken part in the Tom Daley Daily challenge every day and watched a Teacher v Pupil football match, raising a superb £370.50 for those in need.

Right: Year 1 dress in Red to raise money for Velindre.

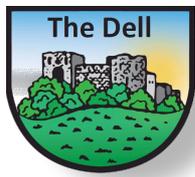

Left: Year 3 and 4 cheer wildly for their friends and teachers in the Teacher Vs Pupil Football match for Sport Relief.

Our Rights:

This term Jemima and Matthew went to the Children's Rights Conference. They learnt about the United Nations Rights of a Child. Next term they will share these rights with the school. They will also be giving you all a survey to understand your thoughts and understanding about the rights already.

Right: Our two School Council representatives got to meet the Children's Rights Commissioner for Wales, Sally Holland.

We are listening!

'We would like to see more space in Yr5 for our coats and bags.'
Year 5 Pupils

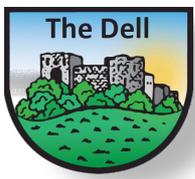

"It would be great if Yr2 could have more PE games".
Year 2 Pupils

"I would like to given more opportunities to use the field and conservation area."
Sophie, Year 6.

Additional items for next term's agenda:

- To discuss how we should behave around the school.
- The way we behave around the new picnic benches around year 4
- Discussing the new layout and image in the KS2 changing rooms.

We are all ears!

This Termly Newsletter has been written collaboratively by the School Council.

If you are in school and have something to say, please come and find us. We are:

Joshua and Caleb in Year 1
Matthew and Faye in Year 2
Freya and Sophie in Year 3
Joe and Lauren in Year 4
Oliver and Aiden in Year 5
Florence, Matthew , Harry and Jemima in Year 6
